## ARTICLE 4 - LEGISLATIVE ACTION

---

### Section 1.

Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted to the Legislative Assembly promptly upon the signing of this Agreement.

## Section 2.

Upon signing of this Agreement both parties will jointly recommend to the Legislative Assembly the passage of the funding and statutory changes necessary to implement this Agreement.

## **ARTICLE 5 - EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION**

---

### Section 1.

The provisions of this Agreement shall apply equally to all employees in the bargaining unit without regard to age, race, religion, sex, color, mental or physical disability, marital status, sexual orientation, national origin, political affiliation, or any other protected class under State or Federal law. The Union further agrees that it will cooperate with the Agency's implementation or applicable federal and State laws and regulations, including but not limited to Presidential Executive Order 11246 as amended by Presidential Executive Order 11375, pertaining to affirmative action.

### Section 2.

All complaints alleging any form of discrimination, including sexual harassment, listed above shall be submitted directly to the Agency. A meeting with the employee, if requested by the employee or the Union, will be held within fifteen (15) calendar days of the receipt of the request. Prior to the conclusion of the meeting, a reasonable effort will be made to resolve the employee's complaint. If, however, a satisfactory solution cannot be reached, the Agency or the designated representative will communicate in writing, within seven (7) calendar days, the position of the Agency to the complainant and the Union. If no hearing is conducted, the Agency shall advise the employee and the Union in writing within fifteen (15) calendar days of receiving the complaint of the Agency's position. If the complaint is not satisfactorily resolved at this step, it may be submitted to the Bureau of Labor and Industries for resolution if further pursued.

- B) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- C) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

## **ARTICLE 6 - STRIKES AND LOCKOUTS**

---

It is agreed by the Employer and the Union that the services performed by employees covered by this Agreement are services essential to the public health, safety and welfare.

The Employer, therefore, agrees that during the term of this Agreement, the Employer shall not cause nor permit any lockout of employees from their work. In the event an employee is unable to perform his assigned duties because equipment or facilities are not available due to a strike, work stoppage or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

The Union, therefore, agrees that neither it nor its officers or employees covered by this Agreement will encourage, sanction, cause, support or engage in any strike as defined by ORS 243.652 (19), provided, however, that if at the expiration of this Agreement, the Employer and the Union have not reached agreement on a renewal, extension or new agreement, the Union

and its officers and employees covered by the Agreement may engage in any type of strike activity which is not unlawful.

Upon notification, confirmed in writing by the Employer to the Union that certain bargaining unit(s) employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing (with a copy to the Employer) to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification to employees covered by this Agreement by the Union shall be made solely at the request of the Employer.

Employees covered by this Agreement who engage in strike activity prohibited by this Article will be subject to disciplinary action for misconduct.

---

### **ARTICLE 7 - SAVINGS CLAUSE**

---

Should any article, section or portion of this Agreement be held unlawful and/or unenforceable by a court or board of competent jurisdiction, such invalidation shall apply only to the specific article, section or portion directly specified. Upon the receipt of such a decision, the parties shall, upon demand, begin negotiations to replace this Agreement's invalidated article, section or portion.

---

### **ARTICLE 8 - MANAGEMENT'S RIGHTS**

---

Except as may be specifically modified by the terms of this Agreement, the State retains all rights of management in the direction of its work force. These rights of management shall include, but not be limited to, the right to:

## **ARTICLE 10 - UNION PRIVILEGES AND LIMITATIONS**

---

### Section 1. Lists.

The Agency shall furnish to the Union, on a monthly basis, a current alphabetical listing of the names, home addresses when easily obtainable on a computer, and classifications of the employees in the bargaining unit. New hires and terminations shall be indicated on the listing.

### Section 2. Bulletin Boards.

The Agency shall provide a reasonable space on bulletin boards placed in mutually agreeable locations. The notices shall be restricted to the following types:

- A) Notices of professional and social affairs;
- B) Notices of elections, appointments, and results of elections;
- C) Notices of meetings; and
- D) Notices of negotiation progress.

Copies of any other materials for posting must be approved by the Human Resources (HR) Manager or his representative prior to its posting. No demeaning or derogatory material may be posted.

Union Officers and Union Stewards may post Union meeting notices through the Agency's or other electronic media. Such usage shall not include interactive communications and notices shall be limited to the time and place of such meetings along with a brief agenda.

### Section 3. Visits by Union Representatives.

The Union will provide the Agency with a list of those AFSCME staff members designated as authorized representatives. The representative, after advising the Personnel Office or the appropriate Nursing Service Office, shall have reasonable access to the premises of the Agency at any time during working hours to conduct Union business and to assist in the processing of grievances under the terms of this Agreement. Such visits are not to interfere with the normal flow of work.

### Section 4. Notices to New Employees.

The Employer will notify each newly employed member of the bargaining unit of representation by the Union. Time shall be provided at each new employee orientation so that the Union may distribute to each nurse a copy of this Agreement and copies of the Union membership material. The Union will be allowed a reasonable time during initial employee orientation for explanation of AFSCME benefits and bargaining representative matters.

### Section 5. Nurse Representatives.

The Union may appoint one (1) steward for every thirty (30) RN's with a guarantee of one (1) steward for each of Salem and Junction City locations. The Union shall notify the Agency HR Manager of the names of the Nurse Representatives.

- A) One Nurse Representative shall be granted a reasonable amount of time to assist in the investigation and settlement of any one grievance at any one time.
- B) The Nurse Representative shall notify their supervisor prior to performing permitted Nurse Representative duties. If the permitted activity would interfere with the work of the Nurse Representative or other employees, the responsible supervisor(s) shall arrange in a timely fashion for a mutually satisfactory time to perform the requested activity.
- C) The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against a Nurse Representative for any authorized activity.

Section 6. AFSCME President Leave.

- A) Long Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, one (1) President/designee from an AFSCME Council 75 Central Table participating Agency shall be given release time from their position for a period of time up to one (1) year for the performance of Union duties related to the collective bargaining relationship. However, if the Union President/designee or Executive Director requests release time for less than their full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits. AFSCME shall indemnify and hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this provision.
- B) Short Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit and the Agency's Human Resource Manager, up to four (4) Presidents/designees from AFSCME Council 75 Central Table participating Agencies shall be given release time from their position for a period of time up to three (3) months for the performance of Union duties related to the collective bargaining relationship. Only one employee from a bargaining unit and a total of four employees from all Central Table Participating bargaining units may be on such leave at any one period in time. Such requests will be granted unless the affected Agency can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit. If granted, such time may also be taken on an intermittent basis. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits.

Section 7. Intermittent Union Leave.

When Union officials (officers and stewards) are designated in writing by the Executive Director of Oregon AFSCME to attend AFSCME Council 75 Biennial or AFSCME International Conventions, the following provisions apply.

- 1) The Executive Director of Oregon AFSCME shall notify affected agencies in writing of the name of the employee(s) at least thirty (30) days in advance of the date of the AFSCME Convention. For agencies of 100 or fewer bargaining unit members, no more than one bargaining unit member per agency may be designated to attend AFSCME conventions. For agencies of greater than 100 bargaining unit members, no more than two bargaining unit members may be designated to attend AFSCME conventions under this provision.
- 2) Subject to agency head or designee approval based on the operating needs of the employee's work unit, including staff availability, the employee will be authorized release time with pay.

- 3) The paid release time is limited to attendance at the conference and travel time to the conference if such time occurs during the employee's regularly scheduled working hours up to forty (40) hours per calendar year.
- 4) The release time shall be coded as Union business leave or other identified payroll code as determined by the State.
- 5) The release time shall not be included in the calculation of overtime nor considered as work related for purposes of workers' compensation.
- 6) The employee will continue to accrue leaves and appropriate benefits under the applicable collective bargaining agreement except as limited herein.
- 7) The Union shall, within thirty (30) days of payment to the employee, reimburse the State's affected agency for all Employer related costs associated with the release time, regular base wage and benefits, for attendance at the applicable conference.
- 8) The Union shall indemnify and the Union and employee shall hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with these provisions.

**Section 8. Labor Management Committee.**

- A) **Purpose.** To facilitate communication between the Parties, a joint Labor-Management Committee will be established. The Labor Management Committee does not have the authority to negotiate or to enter into binding agreements that would contravene any provision of the Collective Bargaining Agreement. The Labor Management Committee will meet, confer, discuss matters effecting the Union membership, and share information of mutual interest pertaining to the Oregon State Hospital.
- B) **Composition.** The Labor Management Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management, unless mutually agreed otherwise.
- C) **Meeting Schedule.** The Labor Management Committee will meet at least quarterly and may upon mutual agreement meet more often as needed.
- D) **Participation.** Members of the Labor Management Committee shall be paid at their regular, straight time rate of pay for attendance at the meetings. Anyone attending the meetings during hours they are not scheduled to work shall flex their schedule when possible, to accommodate their attendance at the meeting on straight time.

REV: 2015

---

**ARTICLE 11 - NEGOTIATING TEAM**

---

Upon notification of bargaining the successor agreement, prior to commencing to bargain, the Union agrees to provide the employer in writing the names of the members designated as representatives for negotiations. Total number of team members shall be five (5) with at least one (1) member from each campus. The Union will attempt to ensure adequate cross-program representation. When appropriate, the designated representatives will be in paid status during negotiations with the Agency assuming no overtime obligations as a result of their attendance at such meetings. At the discretion of the Union, a reasonable number of unpaid employees may attend negotiation sessions as observers. Consultants may be employed by either party.

---

**ARTICLE 12 - WORK SCHEDULES**

---

**Section 1. Scheduling of Work.**

RN work schedules shall be posted at least fourteen (14) days in advance of their effective date except where a bona fide emergency precludes such advance notice, or where a schedule change is mutually agreed to by the affected employee(s).

Any schedule change for relief pool RNs will be posted at least five (5) days in advance of their effective date except where a bona fide emergency precludes such advance notice, or where a schedule change is mutually agreed to by the affected employee(s).

#### Section 2. Work Period.

The standard work schedule for a full-time employee is made up of shifts totaling forty (40) hours in established time of seven (7) consecutive twenty-four (24)-hour periods

#### Section 3. Workday.

Eight (8), nine (9), ten (10) and twelve (12) consecutive hours of work, except for interruptions of meal periods, shall constitute a workday. Staff working on the Salem Campus programs/units licensed as Secure Residential Treatment Facility (SRTF) shall work the same schedule as hospital licensed Nursing Service programs/units. Any additional irregular workdays will be adopted only upon agreement, in writing, of affected employees or the Staffing Committee when appropriate.

#### Section 4. Trades.

- A) Shift Trade. Qualified RNs in the same work area and the same classification may mutually agree to trade a shift within the established schedule as long as the staffing ratio is preserved and no overtime is created. Such trade must be mutually agreed upon in writing and submitted to management prior to the effective date of the trade.
- B) Temporary Position Trade. Regular status qualified RNs in the same classification may mutually agree to trade positions on a temporary basis for a period of up to one hundred eighty (180) days per fiscal year. Such trade must be mutually agreed upon in writing and submitted to management prior to the effective date of the trade. Management consideration will be given to requests for extension of up to an additional one-hundred eighty (180) days for extenuating circumstances. The request to trade positions must be in writing, create no overtime and maintain established staffing ratios. If an employee participating in a temporary position trade permanently vacates their position, the remaining employee must return to their original position within thirty (30) days, unless mutual agreement between the employee and management. Management will make reasonable efforts to accommodate the remaining employee during the transition. Employees in discipline status within six (6) months of requested trade are not eligible to trade without management approval.

#### Section 5. Meal Periods.

Generally employees shall be granted a non-duty meal period of one-half (1/2) hour during each workday. However, employees required to be on duty during a meal period will be compensated. If an employee's work period is longer than fourteen (14) hours, then two (2) meal periods shall be granted.

Subject to management approval, employees may combine their unpaid meal break with one (1) fifteen (15) minute break. This combination of breaks will not happen within the first (1<sup>st</sup>) or last hour of an employee's shift.

#### Section 6. Rest Periods.

Employees shall be provided a fifteen (15) minute rest period for each four (4) hours worked. Rest Periods may be scheduled at varying times depending on unit staffing needs. Whenever possible, employees will be allowed to take their rest period away from the immediate work area. If the employee is unable to take a rest period in the work area due to operational requirements, the employee will advise the supervisor as soon as possible and, if possible, a rest period will be scheduled as soon as practicable.

#### Section 7. Flextime.

Employees may flex their schedule in lieu of overtime if mutually agreed to by the employee and the supervisor.

#### Section 8. Job Share.

Job sharing is voluntary. A "job sharing position" means a full-time position that may be held by more than one (1) individual on a shared time basis whereby each employee sharing the position works less than full-time.

An employee who wishes to job share may submit a written request to the Appointing Authority or their designee. The Appointing Authority or their designee will determine if job sharing is appropriate for the position and notify the employee of such determination in writing.

Employees who job share shall accrue vacation leave, sick leave, and holiday pay on a prorata basis. Individual salary eligibility dates will be established for each employee. Employer-paid insurance benefits are limited to one (1) full-time position, and must be shared. Each employee may pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

If one (1) job sharing employee vacates the position, the position will revert to a full-time position. The remaining employee shall either assume the position on a full-time basis or resign, or otherwise vacate the position. Management will make reasonable efforts to accommodate the remaining employee during the transition.

#### Section 9.

Registered Nurses shall not be mandated to cover positions outside of their bargaining unit.

#### Section 10.

When the employee is required by the agency to travel, the actual travel time shall be considered time worked. Where required travel is outside an employee's regular work hours (excluding normal commuting time), the employer may temporarily modify the employee's weekly schedule without daily overtime or schedule change penalty. Where such schedule modification still results in the need for additional work hours, the employee shall be paid the appropriate rate of pay for all time worked in excess of the regular hours established within their work period

#### Section 11. Floating.

MHRN's will float to cover MHRN shifts when operational needs require a license on a unit. MHRNs will only float to cover LPN shifts when operational needs require a license on a unit and LPNs are not available to provide that coverage. It is the Institution's intention to cover LPN shifts with LPN licenses, whenever possible. MHRNs can only be floated to cover an MHT shift in cases where the superintendent or designee has deemed an emergency. R.N.'s will be floated on a rotating basis, based upon their last float date. Reassignment of overtime is not considered floating for purposes of this Article.

#### Section 12. Return from Extended Leave.

An employee returning from a leave of forty-five (45) calendar days or more shall receive a minimum of one (1) shift of re-orientation on the unit. During such re-orientation, the RN shall not be considered "in-count" on the unit.

See LOA: [Section 1 - Work Schedules](#), [Section 12 - Work Schedules](#)

## **ARTICLE 13 - OVERTIME**

---

#### Section 1.

All time for which an employee is compensated at the regular straight time rate of pay except standby time or on call time but including holiday time off, compensatory time off, and other paid leave shall be counted as time worked.

#### Section 2.

Overtime for employees working forty (40) hours in seven (7) consecutive twenty-four (24) hour periods is time worked in excess of their regularly scheduled hours per day, or forty (40) hours per workweek. Overtime for employees working an irregular work schedule is time worked in excess of the scheduled hours per day approved by management or forty (40) hours within the employee's basic workweek..

Employees will be paid overtime for all hours worked above their regularly scheduled shift. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per week is additional straight time worked rather than overtime until work exceeds eight (8) hours per day or forty (40) hours per week within the employees' basic workweek. Shift trades cannot create overtime under this section.

#### Section 3.

All eligible employees shall be compensated at the rate of time and one-half (1-1/2) their regular hourly straight time rate of pay for overtime. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1-1/2), or to effect a "pyramiding" of overtime, i.e. time and one-half (1-1/2) of time and time and one-half (1-1/2).

#### Section 4.

All classifications within the bargaining unit which are currently eligible for overtime shall continue to be eligible for overtime compensation.

#### Section 5. Replacement Staffing.

The hospital shall maintain, post and utilize a list of nursing staff described below that may be contacted to provide qualified replacement or additional nursing staff in the event of unexpected staff shortages. This list will be available to the individual(s) responsible for obtaining replacement staff during each shift.

The OSH shall solicit volunteers to work additional hours in the following order, before requiring an employee to work mandatory overtime:

- A) Temporaries, Float Pool, or on call
- B) On duty volunteers
- C) Off duty Volunteers
- D) Agency Nurses

Employees working voluntary overtime will not displace regularly assigned employees on their units and/or shifts, unless operational needs require such change. Management has the right not to accept volunteers for partial shifts; however, nurses may agree to voluntarily split an entire shift.

#### Section 6. Mandatory Overtime.

If adequate staffing is not achieved through these measures, the Mandatory Overtime will be assigned to the least senior nurse within nursing services who is on duty and who has not worked mandatory overtime during the current rotation. If a nurse volunteers to work the mandate they will be placed at the bottom of the current rotation list.

OSH may not require a registered nurse to work:

- A) Beyond the agreed-upon and prearranged shift, regardless of the length of the shift;
- B) More than forty-eight (48) hours in any work week;
- C) More than twelve (12) hours in a twenty-four (24) hour period;
- D) During the ten (10) hour period immediately following twelve (12) hours of work performed in a twenty-four (24) hour period. Such work period begins when the registered nurse begins a shift.

If OSH is unable to find other registered nurses or other qualified employees to work the unfilled hours or shifts, due to an unplanned staff vacancy, or there is potential harm to an assigned patient if the registered nurse leaves the assignment, or transfers care to another nurse staffing member OSH may require the employee to work up to, but no more than one (1) hour beyond the employee's regularly scheduled shift pursuant to applicable laws and administrative rules.

Employees who are required to work mandatory overtime will not be required to work for a minimum of ten (10) hours if the employee worked at least twelve (12) hours in the preceding twenty-four (24) hours. If an employee's work schedule requires less than ten (10) hours between shifts OSH will ensure a full ten (10) hour break between shifts, by either:

- (1) Modifying the end time of the overtime shift; or
- (2) Modifying the start time of the next regular shift and ensure the employee is compensated for a full shift.

This Section does not apply in the event of a national or State emergency circumstances requiring the implementation of a facility disaster plan, sudden and unforeseen adverse weather conditions, or an infectious disease epidemic suffered by OSH staff.

Nurses shall not be mandated, except in an emergency to work overtime on a day immediately preceding an approved vacation. Only the Superintendent or designee can determine

if an emergency as described above, exists. If an employee is bypassed, they shall remain on the top of the list for the next mandatory overtime.

Employees will receive one (1) hour of paid leave time for every hour of mandatory overtime worked in violation of this Section, prorated to the nearest one-sixth (1/6) of an hour. Use of such paid leave time must be requested at least two (2) weeks in advance and will be scheduled at a mutually agreeable time to avoid disruption of hospital operations.

Employees will stipulate their preference of staying on their regular unit or floating to cover the unit in need.

Within thirty (30) days after receipt of a reclassification request the Agency Office of Human Resources shall notify the Union of its decision. The parties may extend the time limit by

- mutual written agreement in those instances where the review process or other extenuating circumstances require additional time for analysis.
- C) In instances where the Agency Office of Human Resources denies the request, the employee may appeal the decision within fifteen (15) days to the Agency Head.
  - D) If approved, the effective date of a reclassification implemented under this Article shall not be later than thirty (30) days from the date of filing the request with the Agency Office of Human Resources.
  - E) When an employee is non-competitively advanced because of reclassification of their position, they shall be given an increase in accordance with the provision of Article 24 (Salary Administration), Section 2 (Rate of Pay Upon Promotion).

#### Section 2.

When an Agency initiates an upward reclassification of a position, the affected employee shall be notified in writing.

#### Section 3.

The employee shall be paid the rate of pay of the higher level classification from the first of the month following the month in which the reclassification request was received by the Agency to the date the duties were removed.

#### Section 4.

The Agency Office of Human Resources shall notify an incumbent employee and the Union in writing sixty (60) days in advance of a downward reclassification of a position and the specific reasons for the action. When an employee is reclassified downward, the employee's rate of pay shall be that of the last salary rate earned in the salary range of the previous classification. It shall remain at that rate until a rate in the salary range of the new classification exceeds it, at which time the employee's salary will be adjusted to that rate and the salary review and eligibility date will be established one (1) year from that date provided the employee is not at the maximum of the salary range to which the employee was reclassified.

#### Section 5. Denied Reclassification/Involuntary Reclassification Appeal Process.

Agency Appeal: If an employee's requested reclassification is denied or the Agency reclassifies an employee's position, the Union may appeal the decision in writing to the Agency Head or designee within fifteen (15) calendar days after receipt of the Agency's decision. The appeal must identify the reason(s) the Agency's decision is incorrect. The Agency shall respond to the appeal in writing within fifteen (15) calendar days from receipt of the Union's appeal.

Committee Appeal: If the Agency denies an employee's reclassification request or if the Agency reclassifies an employee's position, the Union may appeal the decision to the Employer/Union Classification Appeal Committee. The appeal must be in writing and submitted within fifteen (15) calendar days from the date the Agency's final decision. All appeals must be supported with copies of documents originally provided to the Agency for the reclassification request, including written explanation of the request and all relevant documentation. No new documentation or information will be considered by the Committee unless mutually agreed upon. Upon request, the Union and employee shall have one (1) opportunity to address the committee.

Employer/Union Classification Appeal Committee: The committee shall be composed of one (1) Employer representative and one (1) Union staff representative. The Committee's sole mission will be to consider appeals pursuant to this section of the Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each representative shall have experience making classification decisions.

Appeal Decision Process: The Committee will attempt to resolve the appeal by jointly determining whether the current or another classification more accurately depicts the overall assigned

duties, authorities and responsibilities of the position. In this process each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. The Committee will prepare an initial written decision to the Agency and Union within thirty (30) calendar days of receipt which will include the reasons for the decision. Agency management retains the right to modify duties to ensure consistency with the Agency's work, goals and objectives. If the finding of the committee determines the assigned duties are appropriately classified at a higher salary range and the Agency subsequently removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification as determined by the committee. This payment shall be for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the date the duties are removed.

Arbitration: If there is no resolution, the Union may request arbitration in writing within fifteen (15) calendar days from the date of receipt of the Committee's final written decision. The Union's request must be sent to the Department of Administrative Services Labor Relations Unit and shall include the reasons why the Agency's decision is incorrect.

The Parties agree to the appointment of a panel of three (3) arbitrators to hear all appeals under this article. Arbitrators shall be assigned on a rotational basis. The arbitrators shall have experience resolving classification issues. An arbitrator may be removed from the panel by mutual agreement of the Parties. However, each party retains the right to initiate a change in that arbitrator's appointment upon notice to the other party. If this occurs, the Parties agree to select another qualified arbitrator. The change in assigned arbitrator shall be effective for any case not yet scheduled for arbitration. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne by the Party requiring the service or item for which payment is to be made.

The arbitrator shall allow the Agency's decision to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified below. In the event the arbitrator finds in favor of the proposed or alternate classification, Agency management may elect to remove/modify duties at any point during the process. However, if the agency removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Classification Criteria: For purposes of this section, a reclassification must be based on findings that the purpose of the position is consistent with the concept of the proposed classification and that the class specifications for the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Terms used above shall be defined as follows:

- a) the purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
- b) the concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications; and
- c) the overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

This Section supersedes any provisions contained in the Agency's grievance procedure.

## **ARTICLE 30 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS**

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

### **Section 1.**

- A) An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency personnel office within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

- 1) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
  - 2) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
  - 3) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within 30 calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- B) If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two resource persons, one designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

- C) The decision of the designees shall be binding on the parties. However, agencies may elect to remove/modify duties at any point during the process.
- D) If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45)-calendar day period. Each party may go forward with only one (1) class. Each party may

choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.

- E) Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.
- F) This process terminates upon completion of the allocation process.

Such employee shall not have the right to grieve their trial service removal.
- D) Transfer/Promotion. ## **ARTICLE 36 - FILLING OF POSITIONS**

---

### **Section 1. Lateral Transfer Opportunities.**

OSH will determine whether a vacancy is to be filled and the method/means to fill that vacancy. First consideration will be given to internal applicants prior to considering outside applicants. All vacancies shall be posted on the State designated E-Recruit system for a minimum of seven (7) days. Postings shall include the work program or unit, shift, days off, qualifications and special skills for the job. All interested applicants shall apply using the process specified. Internal applicants should prepare for the selection process as if applying at OSH for the first time. OSH may consider years of experience, Veteran's preference, special skills, certifications, interviews, references or any other job related process or combination thereof, to choose the best qualified candidate for the position. Applicants must have completed all mandatory training to be eligible for a lateral transfer. When filling the position, the Employer will grant the lateral transfer to the most qualified individual. In cases where applicant's experience and qualifications are substantially equal, the principle of seniority shall be the deciding factor. Should there be a single internal applicant, the applicant will be granted the lateral transfer. Employees in trial service or in discipline status within the previous six (6) months are not eligible to transfer without management approval.

### **Section 2. Promotional Opportunities.**

All positions in the bargaining unit that represent possible promotional opportunities for existing staff will be posted on the State designated E-Recruit system for a minimum of seven (7) calendar days. All interested applicants including employees shall apply using the process specified. In cases where applicants' experience and qualification are substantially equal, the principle of seniority shall be the deciding factor. For purpose of this Article, seniority will be defined as total continuous State service.

### **Section 3. Placement.**

Management shall place the employee in their new position within two (2) weeks of the date the employee is notified of selection. Upon mutual agreement, the employee and management may agree to placement in the new position outside of the two (2) week period. Management may delay the placement of an employee in their new position when the vacancy rate is such that the employee's old position cannot be staffed. Once the employee's old position is staffed, the employee shall be placed in their new position.

### **Section 4. Reorganization.**

When management determines the need for reorganization, positions will be filled through a tumble. Tumbles include shift, days off, and hours and will be accomplished on a unit by unit basis in order of seniority. For purposes of this Section seniority is defined as total time employed at Oregon State Hospital. In the event of a tie, seniority will be first broken by state service date and next by the earliest date of RN licensure. This section does not apply to reorganization necessitated by program or unit closures or reductions in FTE.

### **Section 5. Limited Duration Relief Pool.**

- A) Limited Duration employees may be hired to staff the relief pool. Such appointments shall be for a stated period normally not exceeding two (2) years unless the Parties mutually agree to extend the limited duration appointment beyond two (2) years.
- B)
- 1) No newly hired person on a limited duration appointment shall be entitled to any layoff rights under this Agreement.
  - 2) A person appointed from AFSCME regular status within the bargaining unit to a limited duration appointment shall be entitled to rights under the layoff procedure within their Agency.

- C) A person accepting a limited duration appointment shall be notified of the conditions of the appointment and acknowledge in writing that they accept that appointment under these conditions. Such notification shall include the following:
- 1) That the appointment is of limited duration.
  - 2) The appointment may cease at any time, during the first six (6) months of appointment, or anytime if the need no longer exists or funding is lost.
  - 3) That persons who accept a limited duration appointment shall have no layoff rights under this Agreement except those provided under Section 5(B)(2) of this Article.
  - 4) That in all other respects, limited duration appointees have all rights and privileges of other classified employees including but not limited to wages, benefits, and Union representation under this Agreement.

## **ARTICLE 37 - LAYOFF AND RECALL**

---

### **Section 1. Alternative to Layoff.**

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. When notice is provided to the Union, the Agency will immediately pause all recruitments, including those that are in the process of being filled. The parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.
2. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

### **Section 2.**

A layoff is defined as a separation from the service because of shortage of funds or materials, abolishment of position, or for other involuntary reasons not reflecting discredit on an employee. An employee shall be given written notice of a pending layoff at least fifteen (15) days before the effective date, stating the reasons for the layoff.

### **Section 3.**

The Agency may lay off either part-time or full-time employees within a job classification according to the following procedure (job-share employees shall be considered part-time employees):

- A) The Agency shall determine the specific position to be vacated;
- B) Separate lists will apply to full-time and part-time employees in a classification;
- C) The employee and the Union shall be given written notice of the pending layoff at least fifteen (15) calendar days before the effective date, stating the reason(s) for the layoff; and
- D) The layoff will occur in the following order:
  - 1) Temporary employees in permanent positions;
  - 2) Trial service employees; and
  - 3) Regular employees in inverse order of seniority.

### **Section 4.**

If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, the order of layoff shall be in inverse order of the greatest seniority. If this does not break the tie, then the greatest seniority in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such a manner as to conserve for the State the services of the most qualified employees.

### Section 5.

A regular employee who is about to be laid off may displace an employee in the same class or demote and displace an employee in a lower RN classification within the Agency provided:

- A) The employee has more seniority than the employee with the least seniority in the classification; and
- B) The employee meets the qualifications for the position.

In order to displace someone per the provisions of this Section, the employee must notify the Agency HR Manager of their choice within five (5) calendar days of the receipt of the layoff notice.

Displacement under this Section, will occur in the following order:

- 1) Employee may be moved into a vacant permanent position that management intends to fill. A vacant permanent position is considered to have the least seniority. If that option is not available then;
- 2) The employee may choose to displace the least senior trial service or least senior limited duration employee. The regular status employee would be offered limited duration positions only when the positions are expected to continue for at least ninety (90) days beyond the time of layoff. A vacant limited duration position is considered to have the least seniority. If that option is not available then;
- 3) The employee may displace the least senior permanent employee.

### Section 6. Seniority.

- A) Seniority Definition. Seniority is the Layoff Service Date (LSD), which is the date the employee began state service (the Recognized Service Date or RSD) as adjusted for break(s) in service.
- B) Break in Service. Continuous service is service without a separation from employment of more than ninety (90) consecutive days, except for layoff. Periods of leave without pay or layoff will be deducted from seniority. An employee, other than one laid off, who separates from the Employer's service for more than ninety (90) consecutive days and subsequently returns to employment, shall not regain previously earned service seniority.
- C) Upon signing of this Agreement, a one-time adjustment to the LSD will be made for eligible service prior to the date of signing this Agreement. This adjustment shall pro-rate the amount of time credited to the LSD to reflect all part-time regular hours worked.

### Section 7.

Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

### Section 8.

Employees may remain on layoff for up to two (2) years and shall not lose previously accrued credit for seniority nor service while on layoff, provided they return from layoff when first recalled.

### Section 9.

Employees shall be recalled to work in inverse order of layoff, provided they are qualified to perform the duties of the position available. A nurse who is passed over retains their position on the recall list.

### Section 10. Rate of Pay on Appointment from Layoff.

When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff. The employee's previous salary eligibility date, adjusted by the amount of break in service, shall be restored.

### Section 11. Secondary Recall Rights.

- A) Application: These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.
- B) Definitions:
  - 1) Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate their willingness to relocate on the State's PD100.

- 2) Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit contract.
  - 3) Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.
- C) Coordination with Filling of Vacancy and Layoff Articles: The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- D) Procedures:
- 1) Placement on the Secondary Recall List.
    - a) Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in their personnel file) by layoff or transferred outside state government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in their personnel file, that employee may request and shall be placed on the secondary recall list for the remainder of the two (2) years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.
    - b) Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.
  - 2) Use of the Secondary Recall List.
    - a) After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
    - b) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
    - c) Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one (1) of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
    - d) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.
  - 3) Appointments/Refusals of Appointments from the Secondary Recall List.
    - a) A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have

their name removed from the Secondary Recall List; however, an Agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.

- b) Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
- c) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months except that employees hired into the Offender Information and Sentence Unit as Prison Term Analyst (PTA) shall serve a trial service period consistent with the DOC agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24)-month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.
- d) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

The rate at which an employee shall be paid for working on a holiday shall not exceed the rate of time and one-half (1-1/2) of their straight time pay.

Section 6. Ceiling.

Vacation hours may accumulate to a maximum of three hundred fifty (350) hours; however, in the event of layoff, resignation, retirement or termination, any unused vacation up to three hundred (300) hours only will be paid to the employee. When an employee notifies the Agency they plan to separate from Agency service within the next two (2) calendar months, and the employee has at the time of such notice more than three hundred (300) hours of accrued vacation hours, the Agency and employee will work together to find a mutually agreeable time for the employee to take time off to reduce accrued vacation hours down to the three hundred (300) hours.

### Section 1. Compensatory Time.

Compensatory time for holidays and overtime worked may be accrued to a maximum of two hundred (200) hours of compensatory time per year. The year for computing annual accrual of compensatory time off will run from November 1 through October 31.

On November 1 of each year, employees may elect to carry over up to sixty (60) hours of unused compensatory time into the subsequent year. Any hours carried over will be applied to the annual accrual for the subsequent year. Any hours not carried over will be paid out.

Subject to the operating requirements of the work unit, the Employer may require up to fourteen (14) days advance notice for requests to use one (1) to four (4) days of compensatory leave. Subject to the operating requirements of the unit, the Employer may require thirty (30) days advance notice for request of five (5) or more consecutive days off.

### Section 2. Compensatory Time Payout.

An employee may request to be paid for any accrued compensatory hours no more than once per month and will be paid out no later than the following pay period. Compensatory time earned in the current month is not eligible for cash out.

### Section 3. Vacation Time.

The Employer is committed to providing employees with opportunity to utilize their accrued vacation benefits based on the process identified below. Subject to the operating requirements of the work unit, the Agency may require up to fourteen (14) days advance notice for requests to use one (1) to four (4) days of leave. The Agency will respond to such requests within eight (8) days. Subject to the operating requirements of the unit, the Agency may require thirty (30) days advance notice for request of five (5) or more consecutive days off. The Agency will respond to such requests within ten (10) days. In case of conflict in scheduling, vacation times shall be selected on the basis of seniority. That is to say, the employee with the most seniority will be given first opportunity to secure the day(s) in conflict by exercising their seniority (assuming it is available to exercise). If the most senior decides not to do so, then the less senior employee will be given the same opportunity. In instances where neither employee chooses to exercise seniority to secure the day(s), a flip of the coin will be utilized to break the conflict. Each employee will be permitted to exercise their right or seniority only once in each two (2)-year period. The Agency shall use the following procedure for the selection of vacation time:

Vacation time off will be granted in quarterly blocks. Employees will be granted time off only for the next quarter. Exceptions granting leave requests for special events beyond the quarterly process will be considered by the supervisors and local union president. Where such an exception is granted, no employee may later use seniority to secure the vacation time.

Requests must be in writing and the deadline for submission each quarter is as follows:

<b>Time Blocks</b>	<b>Request Received By</b> <i>Notice – to be applied as defined below</i>
January 1 through March 31	November 15
April 1 through June 30	February 15
July 1 through September 30	May 15
October 1 through December 31	August 15

Requests submitted after the deadline will be considered on a time availability basis. In all instances of late submission, the employee shall forfeit their right to exercise seniority. The institution will grant or deny requests for vacation within eight (8) days of the request.

Employees may also use accrued compensatory time in conjunction with vacation time when scheduling vacations.

Any employee who has requested and/or received a change in assignment, i.e., days off, shift change or unit assignment and has previously approved vacation time off, Management will accommodate previously approved leave.

Section 3. Scheduling of Vacations.

Employees shall be able to request forecasted accrued vacation leave. Such leave may only be taken if the accrued vacation leave is actually accrued by the date the leave is to be used.

- B) When an employee is laid off or terminated; and after an employee has been on leave without pay for more than fifteen (15) days.

Section 5.

Vacations that have been scheduled may not be canceled by the Institution except in the event of an emergency. When unrecoverable vacation deposits in excess of fifty dollars (\$50.00) are incurred by an employee, the vacation shall not be canceled by the Institution. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

Section 6.

If schedule issues occur, the Director of Nursing Services has the authority to review the requests and will meet with the local Union president. Such review does not guarantee that the employee's request will be approved.

Section 7. Trauma Recovery.

Nurses who have been directly involved in incidents of on-duty violence shall be approved, upon request, three (3) days of leave to assist in their recovery to be taken as sick leave, comp time off, other accrued leave or leave without pay. The Employer/Agency will announce such closure or curtailment to employees. The Employer/Agency shall factor in the safety of State employees and the public to determine a closure. An employee shall have the right to leave work if they deem it is

necessary for safety. Subject to the operating needs of the agency and notification to their immediate supervisor, an employee may leave work early due to inclement weather or hazardous conditions and code their time as accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay. The Employer/ Agency will strive to make its decision to close and/or postpone day shift no later than 5 a.m.; however, the parties recognize that changing conditions may require further adjustment. Notifications do not apply to employees who are required to report to work.

- B) For purposes of this Article essential staff are those staff who cannot perform their core job duties or essential Agency functions from a remote work location. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required to report to work. Essential staff/positions shall be designated by the Agency by November 1 of each year. Such designations may be modified with two weeks advance notice to the affected employee(s). Essential staff who are required to report to work by the Employer/Agency shall be on approved leave without pay status if absent, unless the employee elects to use accrued leave. If an employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available.
- B) Where the Employer/Agency has announced a delayed opening pursuant to Section 1A, employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations may be directed to leave work and if so directed shall not be paid for the remainder of the shift unless utilizing accrued leave as described above. An employee who actually begins work shall be entitled to pay for all actual hours worked.
- B) FLSA Exempt Employees. The exempt employee shall be paid for the work shift. An FLSA exempt employee may be required to use paid leave or leave without pay where the closure applies to that employee for one or more full workweek(s)

### Section 3.

Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave.

Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.

Inclement weather/hazardous conditions leave not used during the biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.

Part time employees will receive a prorated amount of inclement weather leave when applicable.

### Section 4.

When in the judgment of the Employer/Agency, inclement/environmental, weather or weather related or hazardous conditions, including active shooter or threat of violence require the closing of the work place following the beginning of an employee's work shift, the employee shall be paid for the remainder of their work shift.

### Section 5. Alternate Work Sites.

Employees may be assigned or authorized to report to work at an alternative work site(s) and be paid for the time worked. Employees who have been pre-approved to work remotely and are unable to complete their assigned duties due to a loss of electricity, loss of internet service, or comparable circumstance, due to inclement or hazardous conditions will pursue alternative methods for completing their assigned duties. However, employees unable to work through an alternative method will be eligible for inclement/hazardous conditions leave not to exceed the forty (40) hours a biennium.

### Section 6. Late or Unable to Report.

Where the Agency remains open and an employee notifies their supervisor that they are unable to report to work, or will be late, due to inclement weather or weather-related hazardous conditions including active shooter or threat of violence, the employee shall be allowed to work from home with the approval of their supervisor, use accrued vacation leave, compensatory time off, personal leave or approved leave without pay, or accrued sick leave. Where the Employer and the employee mutually agree, the employee may be permitted to flex their time. This provision will not alter existing DEQ provisions.

### Section 7. Employees on Pre-scheduled Leave.

If an employee is on pre-scheduled leave the day of the closure, the employee will be compensated according to the approved leave.

### Section 8. Make-up Time Provisions.

Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Sections 2 and 5 of this Article may make-up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime being charged to the Agency. The Employer/Agency shall not be liable for any penalty or overtime payments when employees are authorized to make up work.

### Section 9.

If the Employer/Agency anticipates the inclement condition will last longer than fourteen (14) calendar days, the Parties will meet and discuss impacts of the inclement weather and/or hazardous conditions.

## **ARTICLE 60 - TEMPORARY INTERRUPTION OF EMPLOYMENT**

---

When the Employer declares that a temporary interruption of employment should be considered because of lack of funds, either party may provide the other with written notice to meet and discuss possible terms of such interruption or alternative options. Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The parties agree that any and all discussions that take place under this Section shall not be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. In addition, the parties will not be required to use the dispute resolution process contained in the PECBA.

## ARTICLE 61 - CONTRACTING OUT

---

### Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f) and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

### Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

### Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from their job.

### Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (A) or (B) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise their rights under (c) below:

- A) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Public Employees Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 37, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- B) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state

service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 36, Filling of Positions, this Article shall prevail.

- C) An employee may exercise all applicable rights under Article 37, Layoff.

#### Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- A) The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- B) The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

#### Section 6. Review of Contracted Work.

Upon request, the union may view state contracts deemed public records. The union will contact the agency manager responsible for procurement and contracts to arrange a time to review the contracts. The agency will let the union review any contracts that the agency itself stores, and are available through public records request. The union will contact the state archivist for older contracts under the public records law. The union may submit suggestions to the agency on agency initiated contracts as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The parties may discuss the union suggestions at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure.

## **ARTICLE 67 – WORKING REMOTELY**

Oregon State government encourages working remotely where it is a viable option that benefits both the employee and the Agency. Use of remote work options promote the health and safety of Oregonians; ensures high-quality work and optimal use of resources for agencies; ensures cultural, equity and accessibility issues are addressed in a meaningful way; and supports flexibility and work-life balance for employees. It also offers the opportunity to be more flexible in interactions with the Oregonians we serve and decreases an Agency's impact on the environment. Remote work arrangements are subject to the State Policy 50.050.01 (Working Remotely) and the terms and conditions of this Collective Bargaining Agreement.

### **Section 2.**

Requests to work remotely may be initiated by an employee and must be approved by the employee's supervisor to ensure that all or a portion of the position's duties are suitable for remote work and meets the Agency's business and operational needs, as well as those of the Agency's customers and the employee. Remote work agreements must be documented through the working remotely process in the state human resources information system. Remote work requests will not be unreasonably denied. Agency decisions will be made as soon as possible, but in no case more than thirty (30) days after the employee's request. ### Background:

Parties hope that by expanding overtime opportunities to Nursing Management, there will be a decrease of floating MHRNs, a decrease in mandated overtime, and an increase in overall staffing levels, because of the bigger pool of available employees.

2. An overtime opportunity outside the overtime bidding block process (i.e. sick leave, self-cancellation, acuity, admissions, etc.) is first staffed by a MHRN who has placed themselves as available for overtime for that shift. If there is no MHRNs to take the voluntary overtime shift, the overtime opportunity may be filled by Nursing Management employee who holds a non-encumbered RN license.

This Agreement applies to all of the Union's bargaining units inside of the executive branch of state government.

The purpose of this Agreement is to provide procedures to implement unscheduled pay equity adjustments consistent with Oregon law, and, to identify the appeal procedure to have Agency or Employer decisions concerning pay equity reviewed.

The Parties agree to the following:

1. Application to Current Employees: The Employer, an Agency Head or designee (with CHRO approval) may provide an unscheduled salary step increase to correct a pay inequity between employees who perform work of a comparable character and are similarly-situated based on relevant factors, identified in Oregon Revised Statute [ORS 652.220(2)], by which individual employees may be compensated differently. Unscheduled salary step increases may be initiated by:
  - (a) Periodic statewide equal pay analysis (appeal process section 10)
  - (b) Employee request (appeal process section 9)
  - (c) Agency identified inequity (appeal process section 9)
2. Application to Returning Employees (including but not limited to reemployment and return from layoff): An Agency Head or designee may offer a higher step than prescribed in the applicable labor agreement when the Agency identifies a pay inequity between employees in the same classification who perform work of a comparable character.

The Agency Human Resource Department shall review the merits of the request based on the relevant factors and issue a written decision within sixty (60) calendar days, unless otherwise mutually agreed upon in writing.
5. Pay equity adjustments are generally effective on the date an employee made a written request to the Agency or the date the Agency submitted a request to DAS Classification and Compensation, whichever is earlier.
6. In the event an employee receives an unscheduled salary step adjustment for any of the reasons identified in Section 1, the employee's salary eligibility date shall remain the same.
7. Agencies shall retain all documents pertaining to decisions involving pay equity.

The Agency shall respond to the appeal within thirty

- (30) days of receipt of the appeal. The appeal must be based on one (1) or more of the factors listed in ORS 652.220(2) and the compensation of other employees performing work of a comparable character.
- (b) If the employee disagrees with the Agency's decision, the employee may submit a written appeal to the Department of Administrative Services Labor Relations Unit (LRU) within fifteen calendar days of receipt of the Agency's decision. The employee shall forward all written documents as part of the appeal. The employee shall identify factors, as outlined above, the Agency did not properly consider. The Department of Administrative Services Labor Relations Unit (LRU) shall respond to the appeal in writing within thirty (30) calendar days.
  - (c) Pay equity appeals are not subject to arbitration. However, nothing in this Agreement precludes the employee from submitting a claim to the Bureau of Labor and Industries (BOLI) in accordance with BOLI's administrative rules or pursuing other legal recourse. The timelines for filing with BOLI or pursuing other legal recourse apply regardless of whether the employee appeals the decision under this section.
  - (d) For purposes of this Agreement only, the appeal process in this Agreement replaces the grievance procedure outlined in the applicable labor agreement covering the employee.
  - (e) The Employer and Union may agree to an extensions of time in this Agreement upon mutual agreement in writing.
10. Appeal Procedure – DAS Statewide Equal Pay Analysis Decisions
- (a) An employee may appeal the Employer's decision concerning the employee's salary that resulted from a statewide equal pay analysis. The appeal must be based on one (1) or more of the factors listed in ORS 652.220(2) and the compensation of other employees performing work of a comparable character.
  - (b) An appeal of the Employers' equal pay analysis decision may be filed by sending a completed DAS Pay Equity Appeal Form via electronic mail to [CHRO.CNC@das.Oregon.gov](mailto:CHRO.CNC@das.Oregon.gov) no later than fifteen (15) calendar days from the date the employee receives notification of the equal pay analysis results. The Employer shall make a good faith effort to respond with a decision regarding the employee's appeal within one hundred and twenty (120) calendar days.
  - (c) The timelines for filing with BOLI or pursuing other legal recourse apply regardless of whether the employee appeals the Employer's decision under this section.
  - (d) Pay adjustments made as a result of accepted appeals shall be made retroactively to January 1, 2025.
  - (e) To be eligible to file an appeal of the DAS statewide equal pay analysis decision an employee must have been employed by a state executive branch agency as of July 1, 2024. Employees who do not meet this eligibility requirements may pursue an appeal through Section 4 of this Agreement.

## **LETTER OF AGREEMENT—BI-WEEKLY PAY PERIOD/WORKDAY**

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer), and the AFSCME Local 75 (Union).

To modernize and standardize pay practices, the State will evaluate the potential transition from monthly pay periods to bi-weekly pay periods.

Therefore, the Parties agree to the following:

1. The Employer shall convene a Joint Labor/Management Statewide Bi-weekly Payroll Implementation Workgroup comprised of an equal number of labor partners and members from management with three (3) AFSCME members appointed by the Union. The purpose of this workgroup is to assist in the evaluation of a potential transition and design of the bi-weekly payroll including, but not limited to, the assessment of organizational readiness for change, the design of the communication plan, business requirements and testing, change management plan, and employee training. The workgroup shall meet on a schedule it chooses, but no less frequently than once per month.
2. By January 1, 2025, the workgroup will put forth a report on their findings and an opinion as to the Employer's readiness to launch bi-weekly payroll, which will be shared with the DAS Director and Union Executive Director utilizing the following criteria:
  - a. System Readiness: ensuring that the bi-weekly payroll system is fully developed, tested, and ready for deployment.
  - b. Data Accuracy: Validate the accuracy and integrity of employee data within the bi-weekly payroll system.
  - c. Compliance: Ensure that the bi-weekly payroll system complies with all applicable legal and regulatory requirements, such as tax laws, employment regulations, and data protection policies.
  - d. Training and Support: Provide training and resources for employees who will be using the new payroll system. This includes ensuring that all relevant personnel are trained on how to operate the system effectively and efficiently, and that ongoing support mechanisms are in place to address any questions or issues that may arise.
  - e. Organizational Readiness: Using standardized change management tools, such as the ADKAR model, confirm that impacted staff are ready for implementation of the bi-weekly payroll system.
3. The State shall develop training for all employees and Agency payroll staff on the necessary topics related to the transition. The training will include an explanation of how deductions (for health insurance contributions, PERS contributions, and deferred compensation, for example) and leave accruals (for vacation and sick leave, for example) will be implemented in bi-weekly paychecks. The training will also explain how overtime will be reported, calculated, and paid. The training shall provide multiple avenues of explanation (such as webinars, self-directed learning, in-person training) sufficient to explain that employees' pay is not reduced annually as a result of the bi-weekly timing of paychecks, and the potential monthly financial impacts of the bi-weekly change to employees.
4. The Parties agree to establish a joint Statewide AFSCME labor-management committee to discuss and identify modifications in areas of the CBAs where calculations of hours worked or frequency of pay are applied such as: pay dates, deductions, leave accruals, holiday proration, union dues, PEBB contributions, payslip structure improvements, etc. This list is not exhaustive and may be expanded as the contract is reviewed by the joint labor management committee for preparation of bi-weekly pay change implementation. The Parties also agree to

dedicate no less than fifteen (15) minutes as needed at the beginning or end of each meeting to discuss other Workday concerns or updates unrelated to payroll. The workgroup will review non-payroll related Workday concerns and identify potential modifications needed.

- a. The joint Statewide AFSCME labor management committee shall be comprised of ten (10) members, with four (4) AFSCME represented employees appointed by the Union, four (4) management representatives, one (1) AFSCME staff and one (1) DAS State Labor Relations Manager. The Union and State may have additional staff work with the committee. This joint Statewide AFSCME labor management committee shall be tasked with reviewing modifications needed in statewide articles.
  - i. Each individual local shall utilize existing LMC, or if no LMC is established, participate in a subgroup where one (1) member from the local, one (1) member from AFSCME staff, one (1) member from management, and one (1) DAS Labor Relations Manager shall review and identify potential modifications needed to in their local-specific articles.
  - ii. Each individual local subgroup will submit their identified modifications needed in their local-specific articles to the joint Statewide AFSCME labor management committee for review.
- b. The joint Statewide AFSCME labor management committee shall meet on a schedule it chooses, but no less frequently than once per month.
- c. Committee and workgroup members convened in accordance with the LOA will be on paid status and shall be reimbursed for authorized travel expenses as per State Travel Policy. Agencies will not incur any overtime as a result of committee meetings or travel. Flexing schedules will be allowed to avoid overtime.

Alleged violations of this LOA are not subject to the grievance and arbitration procedure.

Both parties retain their rights under PECBA.
